Dear Ms. Grace:

You ask whether certain information is subject to required public disclosure under the Texas Open Records Act, chapter 552 of the Government Code. Your request was assigned ID# 113644.

The Houston Police Department (the "department") received an open records request for a particular offense report, report number 160474897V. You contend that, except for the categories of information specifically made public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.--Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976), the requested information is excepted from required public disclosure pursuant to section 552.108 of the Government Code.

Section 552.108(a)(1) of the Government Code excepts from required public disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" You indicate that the records at issue pertain to a pending prosecution. We conclude that you have met your burden of establishing that release of the requested information at this time would interfere with law enforcement or prosecution. The department therefore may withhold the information at issue at this time pursuant to section 552.108(a)(1).

We are resolving this matter with an informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue under the facts presented to us in this request and should not be relied upon as a previous

determination regarding any other records. If you have questions about this ruling, please contact our office.

Yours very truly,
